MORTGAGE BANKER/BROKER FORM 397-A-AR **REPORT FIRST & SECOND NH MORTGAGE LOANS ON THIS SINGLE FORM** **2006 NH ANNUAL REPORT - GENERAL INSTRUCTIONS**

1. Information provided in this form is aggregated and an analysis is published by the New Hampshire Bank Commissioner in his Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
2. A Mortgage Banker and/or Mortgage Broker who surrenders its license during the 2006 calendar year must file this annual report form, along with a NH License Surrender Form, within 15 days from the date the company ceases business in New Hampshire.
3. All Mortgage Bankers and/or Mortgage Brokers continuing to be licensed in accordance with NH RSA 397-A or 398-A or whose license expired on December 31, 2006 and who were licensed during any period of time during the preceding calendar year must complete and file this report with the department on or before February 1st of the ensuing year. All annual reports for calendar year 2006 must be received by the department on or before the close of business on Thursday, February 1, 2007.
4. All items on the form must be completed; do not leave any blanks. Reports with blanks are incomplete and will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to the business conducted by the licensee, enter "N/A", "none", "O", or "zero".
5. Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department.
6. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no loans were originated, brokered or made. The original report, signed under penalty of unsworn falsification pursuant to NH RSA 641:3, must be physically delivered to the department; we cannot accept fax transmissions of reports. Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
7. No fee is required to file this annual report. Round dollar amounts to the nearest whole number.
8. Definitions:
 - "NH first mortgage business" means loans that are secured in whole or in part by a mortgage upon any interest in real property located in the State of New Hampshire which is or shall be occupied in whole or in part as a place of residence by the borrower and which consists of not more than 4 living units (second homes, mobile homes and manufactured housing are included), which property is not subject to the lien of any prior mortgage.
 - "NH second or subordinated mortgage business" means loans that are secured in whole or in part by a mortgage upon any interest in real property located in the State of New Hampshire which is or shall be occupied in whole or in part as a place of residence by the borrower and which consists of not more than 4 living units (second homes, mobile homes and manufactured housing are included), which property is subject to the lien of one or more prior mortgages, and shall include home equity loans (HELOCs) and the renewal or refinancing of an existing second mortgage loan.
 - "Mortgage lending and mortgage banking" include making or originating mortgage loans as payee on the note evidencing the loan, advancing or offering to advance or making a commitment to advance the banker's own funds for mortgage loans, closing mortgage loans with the banker's own funds, or otherwise engaging in the business of funding mortgage loans.
 - "Mortgage broker" includes acting as an intermediary, finder, or agent of a lender or borrower for the purpose of negotiating, arranging, finding, or procuring mortgage loans, or commitments for mortgage loans, or offering to serve as an agent for any person in an attempt to obtain a mortgage loan, or offering to serve as an agent for any person who has money to lend for a mortgage loan.
9. The first two columns of Schedule A require information for the total amount of first mortgage business conducted by the licensee on residential real estate (4 families or less and owner occupied) located in NH during calendar year 2006; the second two columns of Schedule A require information for second and other subordinate mortgage loan business conducted by the licensee on residential real estate (4 families or less and owner occupied including second homes) located in NH during calendar year 2006.
10. Do not double count mortgage loan transactions. Categorize each loan transaction by deciding first whether each transaction was 1) a first mortgage loan or 2) a second or subordinate mortgage loan, and then secondly by deciding whether the loan was 3) originated or brokered by the company but not funded by the company, or 4) funded by the company (closed in the company's name, regardless of who originated or brokered the loan for the company and regardless of whether the loan was subsequently sold), or 5) originated or brokered *and* funded by the company.
11. **Originators:** The licensee must submit a list of all individuals who originated NH mortgage loans of any type for the company at any time between January 1, 2006 and December 31, 2006 and make sure to answer "yes" to the question "Originated loans during 2006?" The company's list of originators can be obtained from the department by calling the Licensing Section at 603-271-8675. The list of originators provided from the department's records of originators will allow the company to easily edit and update the information right on the form without having to recreate the information from the company's records. If an originator is on the list but did not originate NH loans during 2006 you may either delete the originator from the list or indicate "no" when answering the question "Originated loans during 2006?" Originator information cannot be electronically filed, on an Excel spreadsheet or otherwise, this year.
